## EMBALMING

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as a direct cremation or immediate burial. If you choose to have an embalming performed, the decedent may be embalmed at a location other than this registered mortuary. No human remains may remain unburied or uncremated in New Jersey for more than 48 hours unless embalmed or refrigerated. (N.J.A.C. 8:9-1.1)
